**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have Sonic as my landline and ISP service because they are small and local and their customer service cannot be beat.

They employ local people who understand our local problems, not people over seas who are difficult to understand.

Please do not let the large corporations take over this industry.

I want to deal with a smaller company that treats me with respect and also their employees well.
